- Beefmaster Premium
4 burner BBQ on cart**
- Stainless steel roasting hood
 - Cast iron cooktop and burners
 - 4 x flame thrower ignitions

- Turbo Elite
4 burner BBQ with
side burner on cart**
- 10 year firebox warranty
 - Also available in 2 burner and 6 burner models

The RQT ceramic burner and quartz dome combination deliver better cooking results by increasing radiant heat and reducing convected heat. It's a lot more efficient because the heat is focussed directly onto the food rather than wastefully heating the air around it. The new Turbo with RQT – it's power under control.
