

Barbeque Specifications

Barbeques Galore are continually striving to improve and update our range of barbeques, furniture, accessories and spares. We reserve the right to change specifications without notice. Some products may not be available at all stores. Specification are correct at time of printing, but may change without notice. Please refer to manufacturers instruction booklet before committing to any design or construction expense. December 2009. ABN 93 001 354 454
