

Ziegler & Brown

GRAND TURBO RANGEHOOD

**Control grease and smoke
with this specially designed ventilation system**

- Powerful dual motors with 3 fan speeds
- Stainless steel construction
- Ducting included – Ensures smoke and smells are directed outside
- Removable filters for easy cleaning
- 6 x LED lights to brighten up the cooking area
- Rear mount to wall
- 3 minute delayed shutdown option
- Dual duct outlets for optimal performance
- Adjustable duct cover included

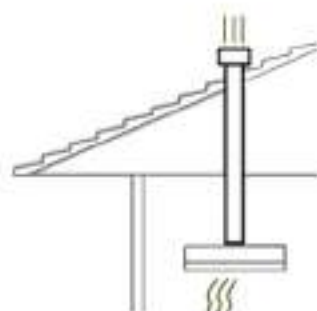

Compliance with local regulations or your particular barbeque's requirements may require more than 1200mm separation between the hood and the cooking surface

*All measurements in mm

Professional installation required. These are two installation options:

Ceiling / Roof
